

## Hurricane Equipment Cases Comparison Table

Part No: EN-EC Series  
Doc V: 1.2

Made from high impact plastic with silicone foam seals, the Hurricane case is the ultimate protection for your valuable tools and equipment. Rated at IP67 the case is dust tight, air tight, chemical and corrosion resistant, and can withstand immersion in water up to 1 metre.

Cases come with high density, pre-cubed foam layers for easy cutting of custom shapes.

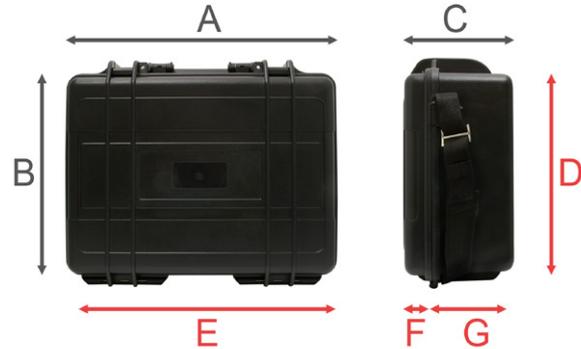

IP Rating: IP67

Impact Rating: IK08

Temp. Range: -20°C to 60°C (Short term -40°C to 80°C)

External Dimensions A - B - C  
Internal Dimensions D - E - F - G
